- The Student Identifiers Act 2014 authorises the Australian Government's Student Identifiers Registrar to collect information about USI applicants. When STAR Education applies for a USI on behalf of a student who has authorised us to do so, we need to collect personal information about the student which will be passed on to the Student Identifiers Registrar. This will include:
 - name, including first or given name(s), middle name(s) and surname or family name
 - date of birth

 - contact details, so the Student Identifiers Registrar can provide individuals with their USI and explain how to activate their USI account.
- In order to create a USI on behalf of a student, STAR Education will be required to verify the identity of the individual by receiving a copy of an accepted identification document. This document will only be used for the purposes of generating the USI and confirming the identity of the individual with the Registrar. Once the USI has been generated and validated, the identity documents used or collected for this purpose will be securely destroyed.
